2) According to rule 4 of the rules issued with G.O. No. 571-621 med 83-13-9 of 18.7.16, the officer in charge of the Head Quarters Establishment has to attend on the Dewan and when at Head Quarters, also on the Councillors and Secretaries to Govt. The Considerations on which Special allowances are given to Asst Surgeons on Palace duty are explained in D.O. letter no: 195 of 7.6.06 from Mr Macnochie to the late Dewan Mr V.P. Madhava Rao. The Asst Surgeon of the Head Quarters Establishment does not seem to be placed under all the disabilities mentioned in Mr Macnochie's letter. In Med File 198-12, however, it is noted that he has no right for private practice.

3) Dr Ranjappa is practically labouring under all the difficulties that the palace Asst Surgeons were labouring under when the question of their allowances was taken up.

4) The experience of his predecessors (Rao Bahadur Raghavendra Rao & E. S. Krishnaswami Iyer) Salary in Dr Ranjappa's Memorial is also a point for consideration. The salary

7) The application of Mr. Nanjappa for the grant of a local allowance is as observed by the senior Surgeon chiefly based on the ground that his duties involving attendance on the Dewan and other officers do not leave him any opportunities for private practice.

8) Under rule 4 of the Rules regarding the Medical attendance on Government servants the Head quarters Assistant Surgeon is required while at Head quarters to attend on about a dozen officers at their residences. This cannot be said to debar him from private practice if, as should be and probably is the case, his services are utilized by the officers concerned with the same consideration as they would show if they instead of Government had to pay for his services. On the other other hand he has got a distinct advantage in the way

of securing good private practice in as much as in ordinary course he would attend on the members of the families of highly paid officers on whom he is required to attend., and secure a very decent income from this source.

9) I think it will be sufficient if the attention of the officers on whom the Head Quarters Assistant Surgeon is required to attend, is ----- drawn to rules 21 to 23 regarding the fees payable to medical officers for attendance upon their families. If this rule is given effect to in practice as it should be the allowance asked for would be quite unnecessary.

10) Further I may state that when sanctioning the continuance of the undermentioned two allowances to the Head Quarters Assistant Surgeon the reason now adduced viz., want of time for private practice was taken into consideration (Vide Med. File No. 198-12).

I learn also that he gets about Rs 30/- a month from the central city hostel. JJ 29/8/11

12) In parag. 25 of Med. File 198 of 12-13, page 8, I noted as follows when the question of conveyance allowance & house rent was under discussion.

"A Medical officer attached to Head Quarter Staff has no time for private practice and to make the office attractive, it would not be unwise to continue the policy long followed".

13) The Fin Secy observes that want of time for private practice was taken into consideration when these two allowances were sanctioned and that therefore the present claim based on the ground of loss of private practice is untenable.

14) I am unable to agree with this view: firstly because, loss of private practice was not directly taken into consideration then: secondly, these two allowances could be regarded as very inadequate compensation for the loss and thirdly, the analogy of Medical officers sent to the Palace does apply to this case with much force.

15) The question here is not whether this Medical officer turns out the same volume of work as other Medical officers do but what the nature of his duties is. That his duties are such as to leave little or no time for his private work will not I think be seriously disputed.

16) In these circumstances I think that the claim deserves consideration

17) I agree with the General Secretary in the views expressed above. It is not so much the volume of work but the nature of duties that we have to take into consideration in deciding the question. The Medical Officer has to wait on the officers and little time is left to him for private practice. The conveyance allowance he is given is on account of the conveyance he has to maintain to go about and not to compensate him for loss of private practice. The Secretaries and Assistant Secretaries and many other Officers in Bangalore Head Quarters get local allowances and I see no reason why he should not get a similar allowance for the same reasons. His case deserves favourable consideration.

Enclosed Papers under disposal. Representation of Mr. B. Nanjappa, Assistant Surgeon, Head Quarters Establishment, for the grant of an allowance of Rs.100 per mensem.

Papers under disposal. The Senior Surgeon has submitted for orders a representation from Mr. B. Nanjappa, Assistant Surgeon in charge of the Head Quarters Establishment, praying for the grant of a local allowance of Rs.100/- per mensem as in the case of Assistant Surgeons deputed for duty in the Palace.

Page 4 of these notes. 2. The Financial Secretary, who was consulted in the matter is not in favour of granting the allowance asked for chiefly on the ground that the Head Quarters Assistant Surgeon has the distinct advantage of securing for himself a very decent income by attending on the Members of the families of highly paid officers on whom he is required to attend.

Page 7 of do 3. The matter was considered by Council at the meeting held on the 6th December 1916 and the Council was of opinion that a local allowance of Rs.50/- per mensem may be sanctioned for the charge of the Head Quarter Establishment.

4. The Financial Secretary to whom the papers were referred again under paragraph 8 of Government Order dated 6th May 1907

Page 8 of do adheres to his former opinion that a further allowance on the ground of loss of private practice should not be given in addition to the conveyance and house-rent allowances now drawn by him.

7 to 8 of do 5. For reasons set forth in paragraphs 5 and 6 of the notes in this file, the resolution of the Council may be accepted and sanctioned.

Sir,

I have the honor to forward herewith, for orders of Government, a copy of an application from Assistant Surgeon Mr. B. Nanjappa attached to the Head Quarters Establishment, praying for the grant of a Local Allowance of Rs.100/- per mensem for reasons stated therein and to state that the claim is chiefly based on the precedent of Government order No. Fl. 7931-2--Medl. 239-05, dated the 17th May 1916, which sanctions a special allowance of Rs.100/- per mensem in the case of an Assistant Surgeon and Rs.75/- per mensem in the case of Sub Assistant Surgeons when deputed for duty at the Palace or attendance on His Highness and on the ground that his duties involving attendance on the Dewan, the members of council and the secretarait officers and staff do not leave him any opportunities for private practice.

Now Assistant Surgeons, V, VI & VII classes.

Mr. Nanjappa is now in receipt of a conveyance allowance of Rs.40/- and a house rent of Rs.30/- per mensem, sanctioned in G.O. No. 1215-6--Medl. 198-12-2, dated the 29th July 1913.

Forwards, for the orders of Government, an application from Assistant Surgeon Mr.B.Nanjappa, in charge of the Head Quarter Establishment, for the grant of an allowance of Rs.100/- per mensem, for reasons stated.

Enc. to Medical 67-16-1 17

Application dated 20th July 1916, from the Asst Surgeon Head Quarters Establishment, to the Senior Surgeon Mysore Govt.

Sir,

I beg respectfully to submit the following for your favourable consideration and kind support.

My duties as Medical Officer attached to the Head Quarters Establishment require my attendance on the Dewan Sahib, the Members of Council, Heads of Departments, all the Secretariat Officers and officials including the menials and also much knocking about both morning and evening. I am away from home nearly all hours of the day except a few hours during meal time, Particularly when serious or complicated cases of illness present themselves, my duties entail longer waiting in the day time and sometimes during nights also. The duties of the Asst Surgeon, Head Quarters Establishment, have also considerably increased of late years corresponding to the increase in the Secretariat Staff.

Owing to the uncertainty of my being readily accessible to private patients in their hour of need, it has not been possible for me to take up any private practice. In fact my practice has considerably suffered in recent years on account of my not being readily available to patients even during certain fixed hours of the day.

It is needless to submit that in Bangalore City living is becoming more and more expensive and also that with no opportunities for private practice, and the need for maintaining my position and living a life compatible with my work and the dignity of the officers with whom I come in contact, I find much difficulty in making both ends meet.

In this connection I beg to submit that the Medical Officers doing duty in the Palace are granted an allowance of Rs. 100/- per mensem in addition to the conveyance allowance of Rs.40 drawn by them. (Vide copy of G.O.No.Fl.7931-2-Med.239-05, dated 17th May 1906, appended hereto.)

I may be permitted to mention that the office of the Medical Officer attached to the Head Quarter establishment was filled in the past by officers drawing higher salaries like Messrs. B. D. Raghavendra Rao, E.S.Krishnaswami Iyer, etc.

In these circumstances I respectfully beg that, like the Medical Officers doing duty in the Palace I may also be given a special allowance of Rs.100/- per mensem.

I respectfully beg that my prayer may receive favorable consideration and support at your hands.

I. Order No.Fl.7931-2-Medl.239-05, dated Bangalore, 17-5-06.

"The Government of His Highness the Maharaja are pleased to direct that officers of the Medical Service when deputed for duty at the Palace or attendance on His Highness be granted a special allowance of Rs.100/- per mensem in the case of an Assistant Surgeon and Rs.75/- per mensem in the case of Sub Assistant Surgeon."

II. Order No.3751-3-Medl67-15-2, dated Bangalore, 22-11-1915.

"The Government of His Highness the Maharaja are pleased to sanction with effect from 1st July 1915 a conveyance allowance of Rs.40/- per mensem to each of the Assistant Surgeons deputed for duty in the Palace, in addition to the special allowance admissible to them under G.O.No.Fl.7931-2-Med.239-05-1, dated 17th May 1906."
